

20th March 2020

A meeting of IQAC cell was held on 19th March 2020, chaired by coordinator Prof Panjab Sood. The meeting was convened to make an effective strategem of the activities for the next three months. The team of Nacc visited the institution in December 2019 and the entire staff was overjoyed with the marvellous performance of the college team, headed by Principal Dr Ashok Kumar Chaudhary. All the members of the committee were well prepared for the meeting and came out with new-fangled ideas for the development and progress of the institution. The following issues were raised by the members of IQAC and following are the points of action plan for the next four months:

1. It was decided by the IQAC that the prize distribution function will be held in the last weeks of March and the arrangement must be executed within a couple of days.
2. The cell also decided that the CSCA function will be held immediately after the annual functions and the committees must be constituted for the CSCA function after a brief meeting with the CSCA office bearers.
3. It was also decided in the meeting that the annual athletic meet will also be held in the first weeks of April and the preparations must start.

4. The IQAC also decided that an elaborate drive for plantation must be carried out to provide green surroundings to the institution.
  5. Realising the scope of future in boxing, the IQAC also desired that a boxing ring must be prepared in the college for the practice of students. The cell gave this demand to the Principal on a separate paper.
  6. The cell also desired that some items of furniture must be purchased as few depts had dearth of chairs, tables, book-racks and almirahs.
  7. It was also decided in the meeting that the area of internal assessment must be complete within a week to avoid any kind of confusion while downloading the admit of cards of students.
  8. The cell further decided that the preparations for the admission must be put in the pipe line to avoid any delay in the admission process.
- The meeting was attended by the following members:
1. Prof Panjay Sood (Convenor) PGW
  2. Prof Naresh Kumar Thirumal RGN
  3. Dr Vinod Sharma VST

## Action Taken Report

I A AC designed a meticulous plan for the activities to be performed in the next four months and for this purpose, the meeting was held on 20th March 2020, but all the hopes were dashed to the ground owing to a long lockdown in the country because of Covid-19 crisis. The preparation for all the areas were in full swing but the entry of corona was a bolt from the blue and the pasture of plans was converted into a desert. All the teachers were busy in taking online classes and the bed rooms were converted into classrooms.
