### Workshop on the Stock Market

A workshop on the stock market was organized by the Commerce Society at Government College, Nagrota Bagwan. The main objective of this event was to tell the students of commerce about the benefits of the stock market. Financial Advisor Mr. Rakesh Awasthi from a Company from Delhi was the main spokes person during this workshop. In his talk he explained that children of developed countries earn their pocket money from the stock market along with their studies, whereas in India, most of the children remain dependent on their parents even after growing up. Explaining the rules of SEBI, he said that all the work of share market is done under these rules so that there is no possibility of fraud. Near about 400 students from the commerce department were present in the workshop along with faculty members.
