Our Country has taken a revolutionary step in moving on to G.S.T. (Goods & Service tax) effective from 1st July 2017. France was the 1st Country in the world to implement GST.

To aware students with GST & Tally. Department of Commerce organized a Guest lecture on 7th November 2023. Mr. Ritesh Kumar

was the resource person who address the students on GST and Tally, That how

Goods & service tax is beneficial for the consumers and how GST is a glorified system of taxation. Also

said that before GST there were many indirect taxes. GST is a direct tax that substitutes so many indirect tax.

GST not only benefited the consumers but the country as well, it increased revenue for the government that will further use in

public welfare and economic development. Mr. Ritesh Kumar also address students about "Tally"

That how Tally software used in various firms, companies makes the work so convenient. It reduce not only paper work but it is

very time saving and efficient. Now these are days when traditional methods of accounting were used, now

this is an era of development. He inspire the student to be alert about what is going in the market and make
