Action Taken Report on the basis of Feedback of various stakeholders

The institution exhibits a great faith in the commitment to accountability and responsiveness, striving to create an inclusive and supportive environment that meets the evolving needs of our diverse community. The feedback provided by different segments of the institution is an essential tool for continuous improvement and enhancing the quality of the institution. Keeping this in view, certain steps were taken by the concerned authorities.

- In order to improve student counselling and guidance, career guidance cell of the college organized various activities during the session.
- To chisel the sportsmanship of the students, various activities including inter-college boxing championship was organized in the session.
- Different steps were taken to make the teaching more practical based. Teachers were encouraged to make the effective use of ICT.
- The students were taken to educational tours to provide them exposure as well as to inculcate in them social responsibility and human values.
- Though the college library has a sufficient number of books and e resources yet the new books as per the requirements of the different departments are added on regular basis.
- NSS, clubs and societies were asked the students to engage the students for more social activities.
- To provide better infrastructure, a stage was constructed in the college to facilitate the students to showcase their talent in various co-curricular activities.
