(Awareness Programme on HIV) (5)

Date : 19-09-2024

Event: (Flash Mob) Awareness on HIV

Venue: Bus Stand, Nagrota Bagwan

A 'flash mob' was organized at Bus Stand Nagrota Bagwan under Intensified Campaign on 19-09-2024 at 2 PM. Around 18 students participated in their activity to spread the message to save the society from HIV. The students highlight the dangers of HIV infection and also about the social stigma attached with this through a dance and skit program. They throw light on the fact that a healthy life style and adequate knowledge about the subject can help to cure the disease. Memoratoes were presented to the students for their successful effort by the College Principal. He also blessed the students for their future endeavours.

Awareness session on women hygiene organized

3

9 November 2024 – A special awareness session on women hygiene was organized by the Commerce Committee of Government College Nagarota Bagwan. This session was organized under the guidance of Professor Sonika, in which Ms. Pooja Sharma, a health expert from Health International Solan Institute, as a keynote speaker, provided detailed information to the girl students on the importance of women hygiene.

A total of 137 girl students participated in this program. Ms. Pooja Sharma made the girl students aware about the proper use of sanitary pads, infections caused by lack of hygiene, health problems like PCOD (polycystic ovary disease), and cysts. She told that these problems can be prevented by a healthy lifestyle and regular hygiene. The guidelines given by her will prove to be very beneficial for the girl students.

During the program, Principal Dr. S.K. Soni, in his address, emphasized the importance of women hygiene and said that such awareness sessions are very necessary in today's time. He urged the students to adopt a healthy and clean lifestyle so that along with physical health, self-confidence can also increase. Dr. Soni, Dr. Manjit Singh and Prof. Sonika of the Commerce Committee praised this effort and called it an important step towards empowerment of the students. The students saw it as a positive and educative experience, and expected more such programs in the future.
