ABOUT GOVT. COLLEGE, NAGROTA BAGWAN

Government College, NagrotaBagwan is situated in the foot hills of snow-cappedDhauladhar mountain range and was established in 2006 to cater to the educational needsof the students of the hill state. It has a sprawling campus and a well-designed buildingspread over approximately 100 Kanals area. It is affiliated to Himachal Pradesh University,Shimla and offers courses in Humanities, Basic Sciences and Commerce at theundergraduate level, English, Commerce and Mathematics at the postgraduate level. Thecollege also started professional courses such as BBA & BCA under self-finance scheme from2021-22 sessions.The college has been continuously growing under the efforts of enthusiastic andhardworking team of 25 faculty members. The total strength of students in Humanities,Commerce, Science, M.A/M.Com/M.Sc. (English, Commerce & Mathematics) and BBA & BCAis currently 1883. To cultivate a passion for service to the nation among the youth and to promote a sense of discipline and devotion in the students the college is willing to have an NCC unit. Regular correspondence regarding the matter is being done with the directorate of higher education and hopefully by the next session college would be granted an NCC unit. To provide easy and full accessibility to the books in the college library for the students the college is keen to adopt the concept of digital library in future for which the correspondence is being done with HPSEDC Shimla. Many students in the college, particularly girls, come to seek higher education from far-flung places, remote areas of the state. These students have to bear additional financial burden of high rents for accommodation. To provide a secure and economical boarding facility to the girl students, a girls hostel is required. The proposal for the same is sent to the directorate, higher education. College is also desirous of starting PGDCA course under self finance scheme in the campus. The college possesses adequate infrastructure in terms of classrooms,library, science and computer laboratories, music rooms and a big playground for sportsactivities. The college commits itself to fulfil true mission of harnessing education for theupliftment of the socially and economically challenged sections of the society.

Vision: We envision ourselves as one of the leading institutes of higher learning that imparts quality and value based education to students of the hill state. We aim to nurture an atmosphere of intellectual vigour and moral rectitude in which the youth of the region may find their fulfilment, achieve success and contribute constructively towards the development of nation. Our constant endeavour is to provide a safe, secure and conducive learning environment to the underprivileged students from rural and semi urban areas, particularly girls who aspire for higher education. We strive to educate young minds to become competent, committed and compassionate citizens who respond thoughtfully and responsibly to the challenges of ever changing world.

Mission: The College is committed to provide holistic education that brings transformation of body, mind and spirit. We strive for academic excellence but also focus on engaging our students in co curricular activities for all round development of the personality. We are dedicated to the cause of empowerment of rural youth and constantly encourage enrolments by providing them with best of infrastructure, learning resources and financial assistance, as and when required. We facilitate ethical higher learning while nurturing a sense of social responsibility, gender sensitivity, environment sustainability and an optimistic outlook towards life.
