

**GOVERNMENT COLLEGE NAGROTA BAGWAN
EDUCATIONAL TOUR REPORT**

Date of Visit: 16.02.2026

Class: B.Sc. II Year

Destination: CSIR Palampur and Science Centre Palampur

Accompanied By: Dr. Kundan Sharma, Assistant Professor, Department of Chemistry

Total Participants: 30 Students (25 Girls and 5 Boys)

Organized by: Dept. of Chemistry under the aegis of *Science Society*, Govt. College Nagrota Bagwan

SUMMARY

On 16th February 2026, 30 students (25 girls and 5 boys) of B.Sc. II Year visited CSIR Palampur and Science Centre Palampur as part of an educational tour organized by Dept. of Chemistry under the aegis of *Science Society*, Govt. College Nagrota Bagwan. The visit aimed to provide practical exposure to scientific research, laboratory techniques, and experiential learning. The objective of the tour is:

- To provide practical exposure to scientific research and laboratory work.
- To bridge the gap between theoretical knowledge and practical application.
- To motivate students towards higher studies and research careers.
- To enhance scientific temperament and curiosity.
- To encourage interactive and experiential learning.

At CSIR Palampur, students visited research laboratories and observed advanced instruments and methodologies. Scientists briefed them about ongoing research projects and applications.

At the Science Centre Palampur, students explored interactive exhibits and scientific models. The visit strengthened their conceptual understanding through demonstrations and hands-on exposure. The learning outcome includes:

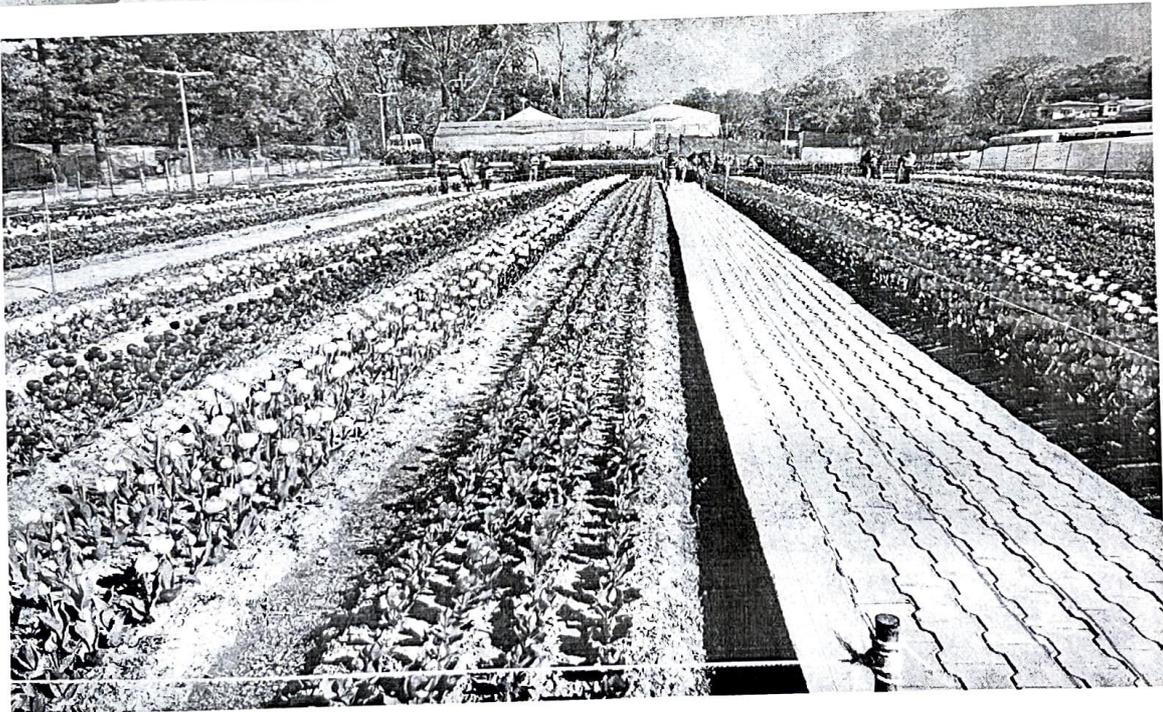

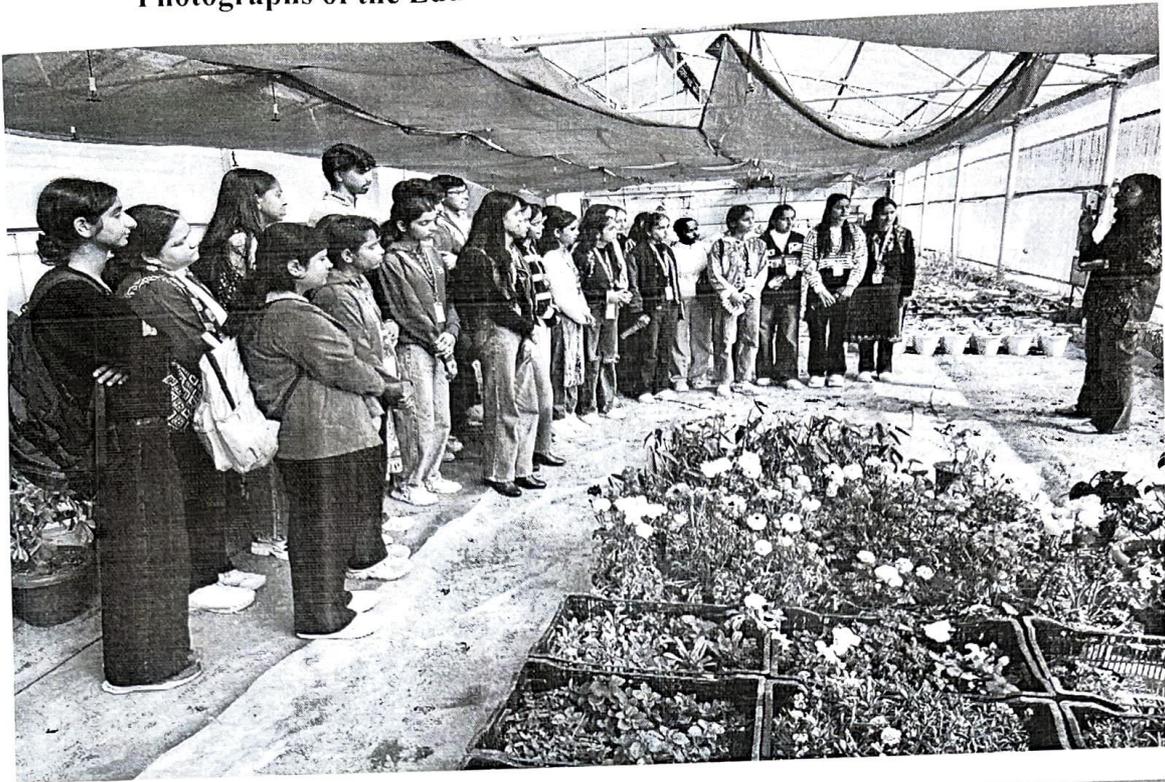

- Improved understanding of laboratory techniques and research processes.
- Exposure to modern scientific instruments and technologies.
- Enhanced conceptual clarity through interactive models.
- Increased interest in scientific research and innovation.
- Development of teamwork and communication skills.

Conclusion

The educational tour conducted on 16.02.2026 was highly informative and successful. Under the guidance of Dr. Kundan Sharma, the visit provided meaningful academic exposure and enriched the learning experience of the students.
