Department	Department of Botany
Name of Activity	Terrarium Exhibition-cum-Sale
Date	23 September 2026
Venue	Botany Laboratory
Organized Under	Earn While You Learn Scheme

1. Introduction

The Department of Botany organized a Terrarium Exhibition-cum-Sale under the Earn While You Learn Scheme at GC Nagrota Bagwan. The activity was aimed at providing students with hands-on experience in terrarium preparation, product development, entrepreneurship, marketing and sales. The activity encouraged students to transform their practical knowledge of plants into attractive and marketable products while developing entrepreneurial skills.

2. Objectives

- To provide students with practical knowledge of terrarium preparation and maintenance.
- To develop entrepreneurial and income-generating skills among students.
- To promote the concept of Earn While You Learn through a practical student-led activity.

3. Details of the Activity

A total of 14 terrariums were prepared by the 23 participating students of BSc 1st year and BSc 3rd year. The terrariums were designed using suitable plants, containers, decorative materials, charcoal, growing media and other required materials. Total time taken to finish the project is around 25 days and students spend 30 min for 3 days a week. The prepared terrariums were displayed during the exhibition and subsequently offered for sale. The exhibition received an encouraging response from faculty members and students, as all 14 terrariums were sold out during the sale.

4. Outcome of the Activity

The Terrarium Exhibition-cum-Sale was successfully conducted and achieved its intended objectives. The sale of all 14 terrariums demonstrated the students' creativity, practical skills, and ability to develop marketable products.
